ADRENALINE RUSH EXTREME

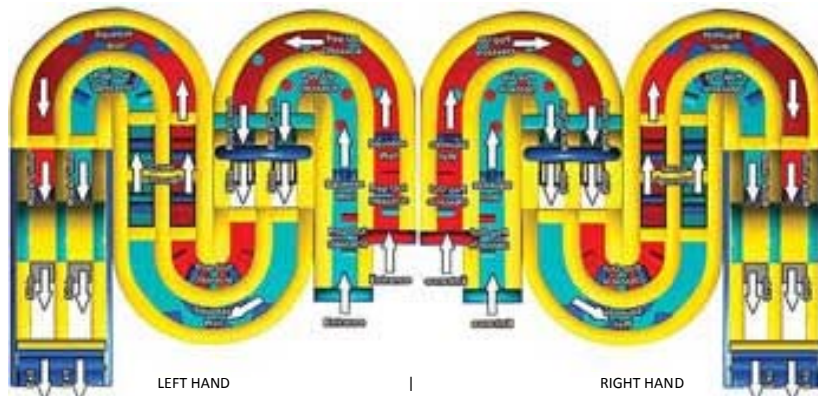

Amerevent's Adrenaline Rush Extreme is the largest challenge course in mid-America. It's a challenge course that provides two equal 130-foot lanes of obstacles, turns, climbing walls, pop-outs, mazes and slides. It's the bigger and badder version of its smaller standard A-R brother and a totally extreme heart pounding experience. The ARx more versatile than any obstacle course ever seen before, when split apart you have three completely different units that can be used as stand alone units or to make your own combinations. Great for kids and adults!

Only at Amerevent: Want to double the extremity? We have the ONLY RIGHT HAND and a LEFT HAND Adrenaline Rush Extreme Courses in America - so you can double the challenge and put FOUR people through FOUR equal 130-foot courses at the same time!
