			NOTE: Dealers are independent contract entertainers working directly for USER; AEG only provides the equipment and acts as agent to help USER secure contract entertainers. Review POLICY-SOP for dealer skills. Backup, re-dealers or volunteers are recommended in case of issues or no-shows. USER may request dealer contacts to followup with the entertainers that have agreed to work the event. USER's volunteers can be trained and used for all backup. Important: Rentals and delivery costs are not impacted by dealer no-shows (back-ups recommended). Review rentals at warehouse prior to event to assure your needs and expectations are met. Many grades and types are available. Dealer dress is business casual, if other dress is wanted USER must contract for it and pay any cost. To comply with law, dealers may not distribute buy-in chips or set chip values. No unlicensed or unlawful gambling loss may occur in any activity on event site or AEG may quit without recourse. One+ dealer per 10 players recommended for fastest play.
